Our Summer With a Purpose . . .

“Feed Our Children”

A hot lunch was served to children during the month of August when the schools do not provide their meals. Plus, we were able to help with providing food for a bag lunch to send home with them for weekend and evening meal supplement.

Greetings from Simple Hope:
Pastor Tumbay, Tanzania
Home Evangelism—see page 7.

I went on a **mission trip** last month with Bruce and Kathy Hergert to Xela, Guatemala in Central America. The trip was a fantastic experience for me. The weather was great. The countryside was beautiful. The cities were crowded and busy. The trip was sponsored by Thrivent Financial and Habitat for Humanity. We were part of a group of about (25) volunteers. We were split into three work teams to help build three different houses for different families.

The night of our first dinner Willie, our team leader, spoke to us. He suggested that we not think of ourselves as helping the poor but think of us as serving our brothers and sisters in Christ. As the week went on I got to know my fellow volunteers. I believe that in their hearts that is what they felt.

I do recommend trying a mission trip to all. Most of the group has gone on numerous trips. I hope to go again.

Community Back to School Fair: Christmas in July

This was no ordinary fair. 1300 kids were registered to participate (1200 spots were planned for) and there was a waiting list of 200 more kids! We were able to step up our giving this year—our *Christmas in July* donations were fantastic. Thank you so much for all of your participation in helping our kids for this coming school year. Total donations = 31 packages of socks, 55 pairs of shorts/pants, 79 shirts, 18 packages of underwear, 16 school supply bags, and 1 pair of boots. In addition to these items, the Cash/Gift card donations were: \$ 1,175.00. Thank you so much for your generosity.

Church Directory

With a new directory coming this year, it is my hope that you'll use the new photos to identify people, learn their name & introduce yourself on Sundays. Plus, now you can make sure you're calling everyone by their correct name. (I know I've made this

mistake a time or two!) It's interesting to page through and see how children have grown and families have changed. Each life in this book is a gift, and it's my prayer that something as simple as this directory will draw our community even closer together.

Your pastor, Kevin Heffernan

Greetings from Simple Hope!

Lord of the Lakes is a VERY special congregation to us! Over many years we have developed a true connection to you through our work in Tanzania Africa. This month we were asked to write a short note for your monthly newsletter. How honored we are! We visited you in June to share our latest journey to Tanzania. We expressed one of the greatest needs we had was to provide Pastor Israel Tumbay with a projector for his "Bush Ministries" YOU LISTENED, YOU ACTED and NOW Pastor Tumbay has RECEIVED your generous gift to provide The Jesus Movie to ALL of his preaching points. We would like to share a short message he sent to us: "It is with my greatest thanks to let you know how very happy I am to have received this wonderful gift of a projector. This projector will be used at all of our preaching points to help hundreds of people deepen their faith in Jesus Christ our Lord and Savior. Your kindness, generosity and faith will be filling hundreds of souls in the bush of Tanzania. May God keep you safe, healthy and filled with many blessings going forward" ~ Pastor Tumbay We are humbled to be partnered with you and we want you to know that this gift you have given Pastor Tumbay will touch many! That is all God asks of us – to help those who cannot help themselves. Well done faithful servants – well done.

Blessings and peace, *Pam and Karen*

BetterMENT group: time to build a patio

The big news is that the men took on a project that will make a difference that will last a long time. They built a concrete patio at church. When you are part of the BetterMENT group, you are part of a group that GETS IT DONE. This project is something that others will use and enjoy for many years to come. It is great to be a part of creating something and making Lord of the Lakes church better for the church members and all the other community groups that meet at the church.

Thanks to all the guys that cleared their schedule to help.
